## Albums & Books

Most of our seniors purchase an album. After choosing your wall art, there are always more photos than wall space. A fine art, hand-crafted album is the perfect way to preserve moments from your senior portrait experience

## Small Print Set

Image boxes offer a unique way to display your images and a stylish method of preserving them. Whether you choose thick double-sided 5x7 prints, or standard 4x6 proofs, this is a great way to show off your images!

## Cards

Our professionally announcements are thick and luxurious, printed with professional papers you just can't find anywhere else. We design senior graduation announcements, thank you notes, graduation party invitations.

## Table-Top Displays

Our unique product offerings include options different than standard framed prints. Curved metal prints, statuettes, acrylics, cubes, and shelfies are great ways to display portraits at your home, office, or for gifts for other family

## Wall Portraits

Wall portraits are the centerpiece of our photography. Every single morning as you walk through your house, we want you to see the very essence of your senior. Our custom wall art allows you to enjoy what you love most about your senior every single day, and to enjoy seeing their portraits when they are away at college next year.

We offer custom framing to complete your portrait, so your wall portrait is ready to hang in your home.

Many clients would like to display multiple images, and our wall art portrait displays allow you to do that! Whether you want a framed storyboard, canvas clusters, or wood blocks, we offer great options to hang multiple images in a smaller size, in an eye-catching display.
